Application Note Number41.....

Product : MVP & VS Series

Application Overview: Control Connectors - Molex and Amp

Originator: G. Fry

Location: Merry Hill

Date: 17/9/98

Schematic Connector fitted to power supply

Example of mating connector - Molex

Description

The connector used from the control signals on both the MVP series and VS series has been designed to accept both Molex and AMP mating parts.

This means it will lock with the Molex C-Grid III part 90142-0010 and the AMP AMPMODU part 87977-3.

Molex: C-Grid III housing 90142-0010
 contacts 90119-2110

AMP: AMPMODU housing 87977-3
 contacts 87309-8

These connectors are available from various distributors including:-

UK Molex distributors:-
 Hawnt 0121 784 3355
